

Kaufman County Animal Awareness Project

Volunteer Information

Kaufman County Animal Awareness Project's (KCAAP) low-cost spay/neuter unit will begin operating in June and we are in need of quality volunteers to help us make it a success. We need to work diligently to reduce the number of unwanted companion animals in our County. With nearly 30,000 households in our County and permits for the addition of 24,000 new households granted, we will see a 50-75% growth in the number of animals in our community over the next 3-5 years. With a per capita income of \$18,827, 10.5 % of our residents under the poverty level and an unemployment rate of 8.4% we need to do something to help our residents stop the birth of unwanted pets. We hope you will join our efforts. We have several opportunities for you to be of service.

Please mark the circle next to the area(s) of most interest to you. A more detailed description of each may be found on the reverse side of this form.

Volunteer Opportunities

Mobile Spay/Neuter Clinic

Positions are available every Thursday for greeters, animal check-in (temp and weighing), recovery room and check-out. Shifts are from 7:30am – 1:00 and 1:00 – 7:30pm.

Transportation

Provide transportation for animals to and from the mobile unit. Time commitment varies, but will be on Thursdays.

Administrative Work

Includes typing, stuffing envelopes, and mailing KCAAP information and membership cards. If possible help create and edit literature. Compile list of community events, civic organizations etc. Schedule and time commitment varies and is determined by volunteer.

Appointment Scheduler

Answer phone calls from pet owners and schedule surgeries. Time commitment varies and can be as little as one hour per week but would best if the time commitment was the same each time and day of the week. Volunteer must have access to a computer and phone.

Community Liaison

Distribute literature about KCAAP membership and low cost Spay/Neuter unit throughout a designated territory. Hang posters and deliver flyers to businesses and homes. Time commitment varies and is determined by volunteer.

Fundraising

Assist in contacting local businesses through phone call, personal visits, letter and follow ups. Time commitment varies and is determined by the volunteer.

Volunteer Recruiting

Assist in training new volunteers and recruiting others to volunteer their time.

Special Events

Assist in facilitating special events such as fund raisers, attendance at County wide festivals and fairs, Run/Walk Music Festival etc.

Education

Help develop relationships with schools, civic organizations, churches etc. regarding setting up education programs. Investigate and get samples of materials that are available.
